New workshops help with employability skills

The Employment and Education Centre (EEC) has been helping Brockville and area residents to become employed and stay working for more than a quarter century. The EEC is offering two new workshops in 2012:

Labour Market Information and Career Decision Making

Thursday, March 8, 2012
9:00 a.m.

Personality Dimensions

Tuesday, March 13, 2012
9:00 a.m.

A number of the EEC's longstanding workshops have been recently renamed. The former Information and Decision Making workshop is now known as Getting Started, while Effective Resumes and Cover Letters is renamed Developing the Tools. Interviewing Skills is now Standing Out, and Taking Control of Your Job Search will now simply be known as Taking Control. The agency will continue to offer Government of Ontario-mandated workshops on WHMIS, Smart Serve and Youth Safety Awareness. Most workshops are free of charge; Smart Serve requires an up-front payment for class materials.

Commercial &Industrial Land for Sale!

Location, Location, Location!

The Township of Elizabethtown-Kitley offers a number of Commercial/Industrial land sale opportunities. The Township Business Park was opened in 1984 along the busy County Rd 29 corridor just north of the City of Brockville.

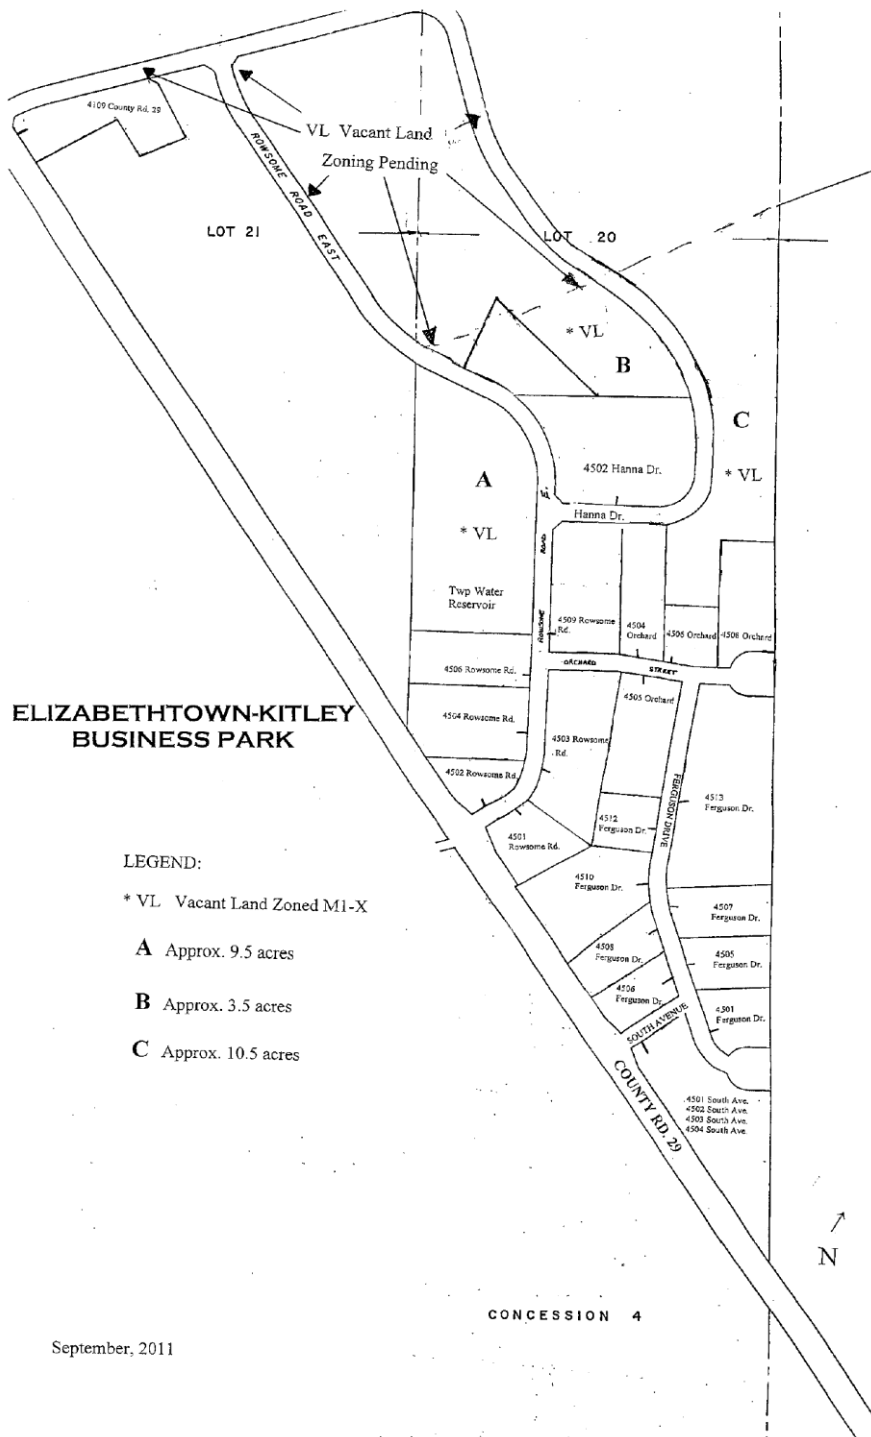

The Township can offer direct market access and proximity to all major routes and cities; including road, rail or seaway with Highway 401, 416, Interstate I-81 and the St. Lawrence Seaway literally minutes away. Less than an hour drive away are the Cities of Kingston and Ottawa. Montreal is about 130 miles and Toronto is about 200 miles. Both passenger and freight rail service is frequent and we are just a quick drive to the International Airports located in Ottawa, Syracuse, Toronto and Montreal.

The Business Park has 23 acres currently vacant and available for purchased.* Vacant Lands within the Business Park are zones M1-X (Special Restricted Industrial Zone). Below is a brief list of some permitted uses. Please contact the Planning Department to review all possible uses.
