SECTION 1 – APPLICATION AND INTERPRETATION

1.1 Title of By-law

This By-law may be cited as the “Zoning By-law” of the Township of Elizabethtown-Kitley.

1.2 Scope of By-law

1. The provisions of this By-law shall apply to all lands within the geographic limits of the Corporation of Township of Elizabethtown-Kitley, as shown on Schedules A1, A2 and A3 attached hereto. This By-law shall also apply to any lands not shown on the Schedules created through the filling of water bodies, alteration of shorelines or other means, as well as to any portion of the bed of any water body where a license of occupation or lease has been issued by a relevant approval authority. Where the bed of any water body has been zoned, such areas shall be used in accordance with this By-law. Where the bed of any water body has not been zoned, such areas shall not be used for any purpose other than a conservation use unless the Corporation has zoned such areas through an amendment to this By-law, regardless of whether or not required approvals from the relevant approval authorities have been obtained.
2. No building or structure shall hereafter be erected, altered or enlarged, nor shall the use of any building, structure or lot hereafter be changed, in whole or in part, except in conformity with the provisions of this By-law.
3. Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, provided that it continues to be used for such purpose.
4. Nothing in this By-law shall prevent the erection of any building or structure for a purpose prohibited by this By-law if the building permit for such building or structure was issued by the Chief Building Official prior to the date of passing of this By-law, provided that:
 - When the building or structure is erected, it continues to be used for the purpose for which the building permit was issued; and
 - The building or structure is commenced within six (6) months of the date of the passing of this By-law and is completed within a reasonable time of the commencement.
5. This By-law shall not be effective to reduce or mitigate any restrictions imposed by a governmental authority having jurisdiction to make such restrictions and, without limiting the generality of the foregoing, shall include Conservation Authorities.
6. All references to Provincial Acts or Regulations shall refer to the current Act or Regulation. All references to the *Planning Act* shall refer to the *Planning Act, R.S.O., 1990, Chapter P.13*, as amended.

1.3 Interpretation of By-law

1. In this By-law, unless the context requires otherwise, words used in the singular shall include the plural and words used in the plural shall include the singular.
2. In this By-law, the word “shall” is mandatory and “may” is permissive.
3. In this By-law, unless the context requires otherwise, the word “used” shall include “designed to be used” and “arranged to be used”, and the word “occupied” shall include “designed to be occupied” and “arranged to be occupied”.

1.4 Schedules to By-law

The following schedules which are attached hereto are hereby incorporated into and are declared to form part of this By-law to the same extent as if fully described herein:

- A1 – Elizabethtown-Kitley North
- A2 – Elizabethtown-Kitley Central
- A3 – Elizabethtown-Kitley South
- B – Brockville Municipal Airport Obstacle Limitation Areas

1.5 Zoning Administrator

This By-law shall be administered by the Zoning Administrator.

1.6 Issuance of Building Permits, Certificates and Licenses

1. Notwithstanding any provisions of the Building By-law or any other by-law of the Corporation to the contrary, no building permit, certificate or license shall be issued where the proposed building, structure or use would be in violation of any of the provisions of this By-law.
2. Notwithstanding the generality of (1) above, where the approval of another agency or authority is required, this shall mean that the approval of such shall be obtained by the applicant and submitted to the Zoning Administrator at such time as an application is made for a building permit.

1.7 Certificate of Occupancy

No change shall be made in the type of use of land, buildings or structures within any zone without first obtaining a Certificate of Occupancy from the Corporation, pursuant to any Township Occupancy Permit By-law that may be enacted.

1.8 Request for Amendment to Zoning By-law

Every request for an amendment to this Zoning By-law shall be accompanied by the Corporation's “Application for an Amendment to Zoning By-law”.

1.9 Inspection

The Zoning Administrator, the Chief Building Official or any other officer or employee of the Corporation acting under the direction of Council is hereby authorized to enter at all reasonable hours upon any property or premises for the purpose of carrying out his duties under this By-law. Notwithstanding the foregoing, a dwelling unit shall not be entered without the consent of the occupant except under the authority of a search warrant.

1.10 Violations and Penalties

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine in accordance with the provisions of the *Planning Act* and every penalty shall be recoverable under the *Provincial Offences Act*.

1.11 Remedies

Where any building or structure is to be erected or altered, or any part thereof is to be used, or any lot is to be used, in contravention of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation pursuant to the provisions of the *Planning Act* or the *Municipal Act*.

1.12 Validity

If any section, clause or provision of this By-law, including anything contained in Schedules A1, A2 and A3 attached hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the By-law as a whole or any part thereof, other than the section, clause or provision(s) so declared to be invalid. It is hereby declared to be the intention that all the remaining sections, clauses or provisions of this By-law shall remain in full force and effect until repealed, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

1.13 Typographical Corrections

No amendment to this By-law shall be required in order for the Corporation to make typographical corrections such as spelling, punctuation and section numbering changes where, in the opinion of the Corporation, such corrections do not affect the intent of the By-law.

1.14 Existing By-laws

All other by-laws of the Corporation enacted pursuant to Section 34 or predecessors thereof of the *Planning Act* are hereby repealed and, without limiting the generality of the foregoing, existing by-laws that are repealed include:

- By-law No. 1712 of the former Township of Elizabethtown;
- By-law No. B 94-13 of the former Township of Kitley; and
- All by-laws of the former Township of Elizabethtown, former Township of Kitley and Township of Elizabethtown-Kitley which amend the foregoing by-laws.

SECTION 2 - DEFINITIONS

For the purpose of this by-law, the definitions and interpretations in this section shall govern.

 - **INTERIOR SIDE YARD** shall mean a side yard other than an exterior side yard.

ZONE shall mean:

- A land use category as defined and regulated in this By-law; or
- A designated area of land shown on the zoning schedules to this By-law.

ZONING shall mean the demarcation of an area into zones and the establishment of regulations to govern the use of the land within these zones and the location, bulk, height, shape, use and coverage of structures within each zone. The terms “zone provisions” and “zone requirements” shall have a corresponding meaning.

ZONING ADMINISTRATOR shall mean the officer or employee of the Corporation charged with the duty of enforcing the provisions of this By-law.

SECTION 3 - GENERAL PROVISIONS

3.1 Accessory Uses

Except as otherwise set out in this section, accessory uses, buildings or structures shall be permitted in any zone, provided that:

1. Accessory buildings or structures shall not be used for human habitation, except as specifically permitted elsewhere in this By-law.
2. Accessory buildings and structures shall be included for the purposes of compliance with maximum lot coverage provisions.
3. There shall be no minimum yard or water setback provisions applicable to a marine facility, except that the minimum side yard shall be 4.5 m. For the purpose of this By-law, a side lot line on a waterfront lot shall be interpreted to follow a straight-line projection into the waterbody.
4. The minimum separation distance between a detached accessory building and any other building shall be 1 m.
5. Any building or structure that is attached to the main building shall not be considered as accessory.
6. Accessory buildings and structures shall conform to the yard and other zone provisions applicable to main buildings, except that in a Residential zone, accessory buildings or structures shall be subject to the following special provisions:
 1. The lot coverage of all accessory buildings or structures shall not exceed 10% and shall also comply with the total lot coverage provisions for the applicable zone.
 2. The maximum height of an accessory building or structure shall be 5.0 m.
 3. Accessory buildings or structures other than marine facilities shall only be located in an interior side or rear yard and, where more than 14 m² in floor or surface area, shall provide a minimum yard of 3.0 m.
 4. No accessory building or structure shall be located closer than 1 m from any lot line, except as otherwise provided for a marine facility in Section 3.1.3.
7. Except as otherwise provided in this section, accessory buildings and structures shall conform to the zone provisions applicable to main buildings. Notwithstanding the foregoing, on a lot zoned Rural (RU) and having a lot area of 0.8 ha or less, the minimum required side yard and minimum required rear yard may be reduced to 3 m.

3.2 Cannabis Processing Facilities

Notwithstanding any other provision of this By-law, where a cannabis processing facility, as herein defined, is listed as a permitted use, such use shall be subject to the following provisions:

1. The following setbacks shall be required:
 - If equipped with Air Treatment Control
 - 150 m from any residential or institutional use, or a vacant lot zoned to permit any residential use or an institutional use, as defined herein.
 - If not equipped with Air Treatment Control
 - 300 m from any residential or institutional use, or a vacant lot zoned to permit any residential use or an institutional use, as defined herein.
2. A building or structure used for security purposes may be located in the required front yard.

3.3 Existing Undersized Non-Complying Lots

1. Where, on the date of passing of this By-law, an existing lot has less than the minimum lot frontage, water frontage and/or lot area required by this By-law, or is increased in lot frontage, water frontage and/or lot area but is still undersized, such non-complying lot may be used and a building or structure may be erected, altered or used for a purpose permitted in the zone in which it is located on the date of the passing of this By-law without the requirement to obtain relief from the applicable lot area and/or lot frontage provisions of this By-law. This provision shall not be construed as granting relief from any other provisions of this By-law.
2. Subsection 3.3.1 above shall not apply to any lot that abuts a water body and has a lot area of less than 0.2 ha.

3.4 Front Yard Reduction Within Settlement Area

Notwithstanding any minimum front yard or street setback requirement of this By-law to the contrary, on a lot within the **Settlement Area** designation of the Official Plan, the front yard may be reduced to 3.0 m or the average of the front yards of existing main buildings located on the two immediately adjacent lots, whichever is greater.

3.5 Frontage on an Improved Street

No lot shall be used and no building or structure shall be erected on a lot in any zone unless such lot has sufficient frontage on an improved street to provide driveway access directly onto the street. Notwithstanding the foregoing, this provision shall not apply to:

- A non-residential building or structure accessory to an agricultural or conservation use, as defined in this By-law;

- A lot on a registered plan of subdivision and with frontage on a street which will become an improved street pursuant to provisions in, and financial security associated with, a subdivision agreement that is registered on the title to the lot;
- A lot located in a Limited Services Residential (RLS) zone.

3.6 Group Homes

Group homes shall be permitted in all zones in which a single dwelling is listed as a principal use in the zone in which it is located.

3.7 Height Exceptions

1. The maximum height restrictions of this By-law shall not apply to the following:

- Air conditioning, heating or similar mechanical equipment
- Antenna
- Barn
- Belfry, spire or dome associated with a place of worship
- Chimney
- Clock tower
- Communications tower
- Electrical supply structure
- Elevator or mechanical penthouse
- Farm implement storage building
- Flag pole
- Grain elevator
- Lightning Rod
- Silo
- Solar collector
- Water tower
- Wind turbine

3.8 Height Restrictions - Airport

Within the areas shown on Schedule B to this By-law and notwithstanding any other provisions of this By-law relating to the maximum height of buildings or structures, no permitted building or structure shall be erected to a geodetic elevation higher than that shown on Schedule B hereto, nor shall any landscaping be permitted to grow to a geodetic elevation higher than that permitted for the buildings and structures.

3.9 Home-Based Businesses

A home-based business shall be permitted as an accessory use to a residential use in accordance with the following provisions:

1. No more than 25% or 40 m² of the floor area of the dwelling unit, including any attached garage, whichever is lesser, shall be used for the home-based business. For

clarity, a home-based business may be located within the dwelling unit and/or within any attached garage.

2. On lots outside of lands designated Settlement Area in the Official Plan, a maximum of 40 m² of floor area within an accessory building may be used for the home-based business, provided that:
 1. The accessory building shall be located a minimum of 15 m from the closest dwelling on another lot.
 2. The accessory building shall be located no greater than 15 m from the dwelling to which it is accessory.
 3. The combined total floor area used for the home-based business within the accessory building and dwelling unit shall not exceed 40 m².
3. There shall be no visible indication from the exterior of the presence of the home-based business other than one non-illuminated sign not larger than 0.6 m².
4. There shall be no open storage of inoperative or unlicensed motor vehicles or other materials, or outdoor animal enclosures.
5. There shall be no storage of hazardous materials or flammable, corrosive or explosive substances.
6. There shall be no direct retail sale or display of goods other than those produced on the premises or those which are clearly incidental to a personal service home-based business. Notwithstanding the foregoing, in the case of a home-based business in food catering, there shall be no direct retail sale of ready-to-eat foods for immediate consumption either on the premises or take-out.
7. Where instruction, respite care or day care is provided, there will be no more than six persons, other than the instructor or caregiver, in attendance at any one time. In the case of all other home-based businesses, not more than one individual client or customer shall be served at any one time.
8. A maximum of one person in addition to the dwelling occupant(s) may be employed in the home-based business, provided that the maximum number of persons employed in the home-based business shall not exceed three. For the purposes of this subsection, the number of persons shall be calculated on the basis of full-time equivalence.
9. Notwithstanding Subsections 3.9.7 and 3.9.8 above, in the Limited Services Residential (RLS) zone, no persons except the dwelling occupant(s) shall be employed in the home-based business and no clients or customers shall be permitted to visit the dwelling to utilize the services of the business.
10. Not more than two commercial-use vehicles and one commercial-use trailer per dwelling unit may be parked or stored on a lot. Such commercial vehicles and/or trailer shall have a rated load capacity not exceeding one tonne.

11. The home-based business shall not, in the opinion of the Township, change the predominantly residential character of the property or create or become a public nuisance with regard to noise, odours, vibration, heat, traffic, lighting or other annoyance.

3.10 Loading Space Requirements

1. Number of Loading Spaces Required

Any commercial or industrial use which involves the transfer of goods, wares, merchandise or raw materials to and from the site shall provide and maintain loading facilities on the lot in accordance with the following regulations:

<u>Floor Area of Building</u>	<u>Number of Loading Spaces</u>
Less than 200 m ²	0
200 m ² - 1,000 m ²	1
Over 1,000 m ²	1 plus 1 additional loading space per each 1,000 m ² of floor area or part thereof

2. Loading Space Size

A required loading space shall be a minimum of 9.0 m long, 3.5 m wide, have vertical clearance of at least 4.5 m and driveway access that is a minimum of 3.5 m in width.

3. Loading Area Surface

A loading area shall be maintained with a stable surface such as concrete, asphalt or crushed stone.

4. Cumulative Loading Requirements

Where a lot, building or structure accommodates more than one use, the loading space requirement shall be calculated on the basis of the total floor area of all commercial and industrial uses.

3.11 Lots Containing More Than One Use

Where a lot accommodates more than one use and the provisions of this By-law for the uses are different, the more restrictive provisions shall apply.

3.12 Lots Divided Into More Than One Zone

Where a lot is divided into more than one zone such that it has split zoning, each portion of the lot shall be used in accordance with the provisions of this By-law for the zone where

such portion of the lot is located. In no case shall split zoning be interpreted to allow more dwellings or dwelling units on the lot than would otherwise be permitted by the least restrictive of the applicable zones.

3.13 Moving of Buildings

No building or structure shall be moved into the Township or onto any lot unless its use and location comply with this By-law.

3.14 Non-Conforming Uses and Non-Complying Uses, Buildings and Structures

1. Buildings Accessory to Non-Conforming Uses

An accessory building may be erected for an existing legal non-conforming use, provided it complies with the provisions of this By-law relating to accessory uses, buildings and structures.

2. Change of Non-Conforming Use

A legal non-conforming use shall not be changed to another use unless it is to a permitted use in the zone in which it is located. Pursuant to the provisions of the *Planning Act* and the Official Plan, a non-conforming use shall only be changed to another non-conforming use with the permission of the Committee of Adjustment.

3. Repair, Restoration and Reconstruction of Non-Conforming Uses or Non-Complying Uses, Buildings or Structures

A legal non-conforming or non-complying use, building or structure shall only be repaired, restored or reconstructed in accordance with the rights conveyed to legal non-conforming uses pursuant to the applicable provisions of the *Planning Act*, provided that the height, size and volume of the building or structure shall not be increased except in accordance with Sections 3.14.5 or 3.14.6 below, as applicable.

4. Replacement of Non-Complying Sewage Disposal Systems

Notwithstanding any provision of this By-law to the contrary, a sewage disposal system which was legally constructed under the regulations governing sewage disposal systems that were in force and effect at the time of such construction but that is non-complying with respect to the water setback provisions, shall be replaced such that the minimum water setback is the setback of the existing sewage disposal system or as set out in the *Ontario Building Code*, whichever is greater.

5. Enlargements of Non-Conforming Uses

A legal non-conforming use shall not be enlarged or extended, except with the permission of the Committee of Adjustment for the Township, pursuant to the provisions of the *Planning Act* and the Official Plan.

6. Enlargements of Non-Complying Uses, Buildings or Structures

A legal non-complying use, building or structure shall not be enlarged, except in compliance with all applicable provisions of this By-law.

3.15 Occupancy Restrictions

None of the following shall be used as a dwelling or for the purposes of human habitation:

1. Any truck, bus, coach, railway or streetcar body;
2. Any marine facility or building or structure accessory to a residential use;
3. Any recreational vehicle, travel trailer or tent trailer, except in a campground or as a temporary use in accordance with Section 3.29 of this By-law;
4. Any dwelling unit the entirety of which is located in a cellar.

3.16 Open Storage

Open storage shall be permitted as an accessory use to a permitted use within any zone other than a Residential zone, provided that:

1. No part of an open storage area shall be located within a front yard or any minimum side or rear yard or water setback required by this By-law;
2. Open storage shall not occupy any driveway or parking or loading area required by this By-law;
3. Where open storage is situated less than 30 m from a Residential zone, a street or a dwelling on another lot, a continuous buffer strip consisting of a berm, fence or landscaping having a minimum combined height of 1.5 m shall be provided so as to screen the open storage area from the street or dwelling. Such buffer strip shall be broken only by a driveway or walkway from the street.

3.17 Parking Requirements

1. Number of Parking Spaces Required

In any zone, the owner or occupant of any lot or building or structure erected, enlarged or changed in use after the passing of this By-law, shall provide off-street parking in accordance with the following:

<u>Type of Use</u>	<u>Number of Parking Spaces Required</u>
One and two-unit dwellings	2 parking spaces per dwelling unit, provided that 1 of the 2 required spaces may be in tandem

Dwellings of three units or more	1 parking space per dwelling unit
Mobile home park or Campground	1 parking space per site
Group home	1 parking space in addition to the applicable dwelling requirement
Boarding house, residential care home	1 parking space, plus 1 parking space per 4 rooming units
Home-based business	1 parking space in addition to the applicable dwelling requirement
Bed and breakfast	1 parking space per guest room in addition to the applicable dwelling requirement
Lodging Establishment	1 parking space per guest room or cabin plus 1 parking space per 20 m ² of floor area devoted to dining or meeting uses
Restaurant, banquet hall, adult entertainment parlour	1 parking space per 12 m ² of floor area
Place of worship or assembly	1 parking space per 12 m ² of floor area devoted to public assembly
Recreational use, instructional facility	1 parking space per 4 persons design capacity or 1 parking space per 20 m ² of floor area, whichever is greater
Retail store, personal service, merchandise service outlet	1 parking space per 20 m ² of floor area
Clinic	1 parking space per 20 m ² of floor area
Marina	1 parking space per boat slip or 1 parking space per 20 m ² of floor area, whichever is greater
Commercial use not defined	1 parking space per 20 m ² of floor area
Professional or business office	1 parking space per 25 m ² of floor area
School - elementary	1.5 parking spaces per classroom
School - secondary	4 parking spaces per classroom

Institutional or public use	1 parking space per 40 m ² of floor area
Industrial, warehouse or storage use	1 parking space per 70 m ² of floor area

2. More than One Use on a Lot

Where a building or lot accommodates more than one use, the number of parking spaces required shall be the sum of the requirements for each of the uses.

3. Parking Space Size and Access

Each parking space shall have minimum dimensions of 2.75 m by 6 m, except that a parking space for the physically-disabled shall have minimum dimensions of 3.7 m by 6 m. A parking space shall have unobstructed access, except where tandem parking is specifically permitted by this By-law.

4. Parking for the Physically-Disabled

Where a required parking area contains 10 or more parking spaces, reserved parking spaces for the physically-disabled shall be provided at the rate of 1 parking space for the physically-disabled per 30 required parking spaces or fraction thereof, subject to the provision of a minimum of 1 parking space for the physically-disabled.

5. Driveway Access to Parking Areas

1. Driveways designated for two-way traffic shall have a minimum width of 6 m. One-way driveways and driveways serving only one dwelling unit shall have a minimum width of 3 m. For portions of a driveway that directly abut a parking space, the minimum driveway width shall be as follows:

<u>Angle of Parking Space to Driveway</u>	<u>Minimum Driveway Width</u>
0 degrees	3 m
30 degrees	3.4 m
45 degrees	3.7 m
60 degrees	5.4 m
90 degrees	6 m

2. The minimum setback of a driveway access shall be as follows:

- From the intersection of two street lines 7.5 m
- From the intersection of a street line and a lot line not abutting a street 1.2 m

3. The maximum width of a driveway measured at the street line shall be 9 m.

4. Where the exclusive or principal use of a lot is for residential purposes and the

number of driveways is not otherwise regulated by an authority other than the Township, the maximum number of driveways shall be as follows:

- Lot frontage less than or equal to 60 m 2
- Lot frontage greater than 60 m 3

provided that in no case shall the combined width of all driveways, measured at the street line, exceed 30% of the lot frontage.

6. Parking Area Surface

A parking area shall be maintained with a stable surface such as concrete, asphalt or crushed stone.

7. Parking Area Location

1. All required parking shall be provided on the same lot as the use.
2. The minimum setback from a lot line shall be 1.2 m for any parking area that accommodates more than two vehicles.
3. The minimum water setback of a parking space shall be 30 m, except that in the case of an existing single dwelling that is non-complying with respect to its water setback, the water setback of a parking space may be reduced to that of the existing dwelling.

8. Parking Requirements for Changes or Additions to Existing Buildings

1. Where an existing building or structure has insufficient parking spaces to comply with the provisions of this By-law, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, however, no addition may be built and no change of use may occur within the existing building or structure, the effect of which would be to increase the extent of such deficiency.
2. Notwithstanding any provision of this By-law to the contrary, within any lands designated Settlement Area in the Official Plan, an existing building the use of which is being changed to a new use with a greater parking space requirement than the previous use shall not be required to provide any additional parking, provided that any parking deficiency shall not be increased by more than 10 parking spaces.

9. Use of Parking Spaces and Areas

Within any Residential zone, not more than two commercial-use vehicles and one commercial-use trailer per dwelling unit may be parked or stored on a lot. Such commercial vehicles and/or trailer shall have a rated load capacity not exceeding one tonne.

3.18 Pits, Quarries, Wayside Pits, Wayside Quarries and Portable Asphalt Plants

No pit, quarry, wayside pit, wayside quarry or portable asphalt plant shall be permitted except in a zone where such uses are specifically listed as permitted.

3.19 Public Uses

1. Except in the case of lands zoned Environmental Protection – PSW (EP-PSW) and Flood Plain (FP), any land may be used and any building or structure erected or used for the purpose of a public use as defined in this By-law, provided that lot coverage, setback and yard requirements of the zone in which such land, building or structure is located shall be complied with, except that towers, poles, lines and transmission facilities for natural gas, electricity, cable, water, storm and sanitary sewage and wired and wireless communications shall be permitted in any yard.
2. Where a public use is to be located in the Environmental Protection – ANSI (EP-ANSI) or Environmental Protection – LSW (EP-LSW) zone, Sections 13.2.3.2 and 13.3.3.2, respectively, shall apply.

3.20 Residential Separation Distances from Other Land Uses

Notwithstanding any other provisions of this By-law, any new dwelling shall be located minimum distances from certain zones or land uses on other lots as follows:

- From a Class “B” pit with no excavation below water table 150 m
- From any other pit or a concrete plant 300 m
- From a quarry or an asphalt plant 500 m
- From land zoned Salvage Yard Industrial 300 m
- From land zoned Disposal Industrial 500 m
- From livestock facilities As per the Minimum Distance Separation I (MDS I) formula, as issued by the Ontario Ministry of Agriculture, Food and Rural Affairs, except that MDS I shall not apply to a new dwelling to be located on an existing lot of less than 2 ha in area.
- From a rail line right-of-way 30 m

3.21 Second Dwelling Unit and Second Dwelling

Notwithstanding any provision of this By-law to the contrary, where a single dwelling, semi-detached dwelling or a townhouse dwelling is permitted as a principal use in a zone, a second dwelling unit or a second dwelling, as herein defined, but not both, are permitted on the same lot in accordance with the following provisions:

1. General

- The second dwelling unit or second dwelling shall be located on a lot that abuts an improved street.

- The second dwelling unit or second dwelling shall comply with the provisions of the *Building Code Act*.
- The second dwelling unit or second dwelling shall be connected to the same water supply and sewage disposal system as the principal dwelling.
- Prior to obtaining a building permit for a second dwelling unit or a second dwelling, the applicant shall obtain a septic system approval.
- The maximum floor area of the second dwelling unit or second dwelling shall not exceed 65% of the floor area of the principal dwelling, to a maximum of 80 m² on a lot zoned Residential Type 1 (R1), Residential Type 2 (R2) and Estate Residential (RE), and 95 m² on a lot zoned Rural (RU) or Agriculture (AG).
- The second dwelling unit or second dwelling shall share the driveway entrance to the lot with the principal dwelling.
- A minimum of one parking space shall be provided for the second dwelling unit or second dwelling, in addition to the minimum parking requirements for the principal dwelling.
- The second dwelling unit or second dwelling shall be included in the calculation of lot coverage.
- The lot area and lot frontage shall be in accordance with the applicable requirements of the zone for the dwelling types.

2. Additional Provisions for Second Dwelling Unit

- The second dwelling unit shall not occupy the whole of a storey.
- The second dwelling unit shall share at least two of the following with the principal dwelling:
 - building entrance
 - parking area
 - outdoor amenity space
- No enlargement or extension to the principal dwelling shall be permitted unless the enlargement or extension conforms to all other applicable provisions of this By-law.

3. Additional Provisions for Second Dwelling

- An existing accessory building in a zone where a residential use is permitted may be partially or fully converted to a second dwelling, except that no habitable room window shall face an interior side lot line or a rear lot line which abuts another lot unless the existing accessory building conforms to the minimum side lot line setback and rear lot line setback as is required for the principal dwelling, as the case may be.
- A new accessory building may be constructed as a second dwelling provided it conforms to all applicable provisions for the principal dwelling.
- The maximum permitted height of a new second dwelling shall be 7.5 m.
- A new accessory building which is constructed as a second dwelling shall be separated by not greater than 9 m from the principal dwelling on a lot zoned Rural (RU) or Agriculture (AG) and not greater than 5 m on a lot zoned Residential Type 1 (R1), Residential Type 2 (R2), or Estate Residential (RE).

3.22 Setbacks from Environmental Protection Zones

Notwithstanding any other provisions of this By-law, the minimum setback of any building or structure, including a sewage disposal system, from lands zoned EP-PSW, EP-ANSI and EP-LSW in this By-law shall be as follows:

- From the EP-PSW zone 120 m or such lesser setback as recommended in an Environmental Impact Study undertaken to the satisfaction of the Township that demonstrates no negative impacts on natural features or ecological functions, provided that such lesser setback shall not be less than 30 m
- From the EP-ANSI zone 120 m or such lesser setback as recommended in an Environmental Impact Study undertaken to the satisfaction of the Township that demonstrates no negative impacts on natural features or ecological functions
- From the EP-LSW zone 50 m or such lesser setback as recommended in an Environmental Impact Study undertaken to the satisfaction of the Township that demonstrates no negative impacts on natural features or ecological functions

Notwithstanding the generality of the foregoing, for lands zoned EP-LSW, the boundary of the EP-LSW zone may be altered by the Municipality without further amendment to this By-law in relation to any parcel of land where a qualified professional(s) demonstrates, to the reasonable satisfaction of the Municipality, the appropriate location of the zone boundary in relation to any proposed development. Once the Municipality accepts the location of the EP-LSW boundary, the 50 m setback and the provisions of this section shall apply to the altered boundary.

3.23 Setbacks from Natural Gas or Liquid Fuel Pipelines

Notwithstanding any other provisions of this By-law, the minimum setback of any building or structure from a natural gas or liquid fuel pipeline main corridor right-of-way shall be as follows:

- Main building or structure 7 m
- Accessory or temporary building or structure 3 m

3.24 Sewage Disposal Systems and the Applicability of this By-law

Except in relation to water setbacks and setbacks from Environmental Protection (EP) zones, sewage disposal systems shall not be subject to the provisions of this By-law.

3.25 Sight Triangles

Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- A building, structure or use which would obstruct the vision of motorists;
- A fence or any vegetation of a height which is more than 1 m above the elevation of the centrelines of abutting streets;
- A parking or loading area.

3.26 Shoreline Area Occupancy

Notwithstanding any provisions of this By-law to the contrary, on any lot abutting a water body and used for purposes other than a marina, a maximum of 20% or 15 m of the shoreline area, whichever is lesser, may be occupied by marine facilities, pump houses, stairs, decks, patios, gazebos and all other accessory buildings and structures. For the purposes of this section, the shoreline area shall include that portion of the lot lying within 3 m of the high water mark and that portion of the water body within 3 m of the high water mark.

3.27 Source Water Protection

The Intake Protection Zones, IPZ-1 and IPZ-2, as shown on Schedule A3 are overlay zones as defined in the Source Protection Plan. Notwithstanding any provisions of the underlying zones to the contrary, the following additional provisions shall apply:

1. In the IPZ-1 overlay zone, the following land uses and activities are prohibited:
 - Waste disposal site, including hazardous, municipal, and solid non-hazardous waste
 - Storage of mine tailings
 - Landfarming of petroleum refining waste
 - Wastewater treatment facilities and related infrastructure
 - The application and/or storage of agricultural source material to land
 - The management of runoff that contains chemicals used in the de-icing of aircraft
 - The use of land as livestock grazing or pasturing, an outdoor confinement area or farm animal yard
 - The handling and storage of more than 2,500 kilograms or litres of pesticide at a facility where it is sold or used for application at other sites, except where it is manufactured or processed
 - The storage of agricultural source material
 - The handling and storage of more than 5,000 tonnes of road salt in a manner that may result in its exposure to precipitation or runoff from precipitation or snow melt
 - At or above-grade snow storage that is more than 1 hectare

2. In the IPZ-2 overlay zone, the following land uses are prohibited:
- Wastewater treatment facilities and related infrastructure
 - The application of agricultural source material to land
 - The use of land as livestock grazing or pasturing, an outdoor confinement area or farm animal yard
 - The storage of agricultural source material
3. In addition, all development applications and building permit applications for land uses within the IPZ-1 and IPZ-2 overlay zones, as shown on Schedule A3, other than for residential, shall be reviewed by the Risk Management Official and may require a risk management plan prepared to the satisfaction of the Risk Management Official.

3.28 Street and Private Right-of-Way Setbacks

The following setbacks shall be required:

- County Streets 13.1 m from the centre line of the street plus the minimum required yard for the appropriate zone, except in the case of County Road Nos. 2 and 42, in which case the setback shall be 15.25 m from the centre line of the street plus the minimum required yard for the appropriate zone
- Township Streets 10 m from the centre line of the street plus the minimum required yard for the appropriate zone
- Private right-of-way 6 m from the limit of the right-of-way

3.29 Temporary Uses

The following shall be permitted in any zone, except Environmental Protection (EP) and Flood Plain (FP) zones:

- Construction facilities such as sheds, scaffolds and other structures incidental to the construction on the premises for so long as the work is in progress;
- A temporary real estate sales and/rental office;
- A travel trailer, tent trailer or recreational vehicle occupied on a temporary basis during the course of construction of a dwelling on the same lot, provided that:
 - Temporary connection to an approved on-site sewage disposal system is provided;
 - A building permit for a dwelling has been issued and remains in force;
 - The trailer or recreational vehicle is located in accordance with the required yards and water setbacks applicable to a dwelling;

- In no event shall the trailer or recreational vehicle be located on the lot for a period exceeding one year from the date of issuance of the building permit.

3.30 Through Lots

On a through lot, the minimum front yard requirement shall apply to each yard abutting a street.

3.31 Tiny Houses

A tiny house is permitted as a single dwelling in all zones where a residential use is a permitted principal use, except in the Estate Residential (RE) zone, provided that the applicant shall obtain a sewage system approval and that the tiny house meets all of the zone standards of the applicable zone and all of the provisions of the Ontario Building Code.

3.32 Water Frontage and Water Setbacks

1. Except as otherwise provided by Section 3.3, the minimum water frontage for any lot abutting a water body shall be 60 m.
2. Except as otherwise permitted by Sections 3.1, 3.14, 3.26 and 3.33 of this By-law, the minimum water setback shall be 30 m for all buildings and structures, including sewage disposal systems but excluding the following:
 - Decks, hot tubs and gazebos which are unattached to a main building and which have a combined floor surface area of less than 14 m²;
 - Marinas, pump houses, stairs, marine facilities and roof decks situated on marine facilities.

3.33 Yard and Water Setback Encroachments

Notwithstanding the yard and setback provisions of this By-law, the following encroachments are permitted:

- Sills, belt courses, chimneys, cornices, eaves, gutters, parapets, bay windows and other ornamental features may project into any existing yard or minimum required yard or water setback by not more than 0.6 m, provided that in no case shall they be located closer than 0.4 m to any lot line;
- Attached unenclosed porches, open patios, decks, balconies, hot tubs, exterior stairs and landings may project from the main building into any minimum required yard or water setback by not more than 1.5 m, except that where an existing main building is non-complying in relation to the required water setback, an open and unroofed porch, deck, hot tub, exterior stairs or landing having a combined horizontal surface area of less than 14 m² may project into the existing water setback by a maximum of 1.25 m;

- Awnings, clothes poles, flag poles, garden trellises, fences, plant materials, handicapped ramps, business signs and similar accessory structures shall be permitted in any required yard or water setback;
- Swimming pools, including all related equipment, shall only be located in an interior side or rear yard. In the case of a waterfront lot as defined in this By-law, such pools and equipment may also be located in a front yard. In no case shall such pools or equipment be located closer than 1.5 m to any lot line or encroach into the required 30 m water setback.

SECTION 4 - ZONES

4.1 General

For the purposes of this By-law, the land area of the Township is divided into various generalized and specific zones to which the provisions and regulations herein shall apply.

4.3 Boundaries of Zones

The location and boundaries of the zones established by this By-law and certain requirements applicable to such zones are shown on the maps hereto attached as Schedules A1, A2 and A3. Where any uncertainty as to the boundary of any zone as shown on the zoning schedules, the following provisions shall apply:

1. Where a zone boundary is indicated as following and is within the boundary of a street, lane, railway right-of-way, other right-of-way or watercourse, the boundary shall be the centre of such street, lane, railway right-of-way, right-of-way or watercourse.
2. Where a zone boundary is indicated as approximately following lot lines on a registered plan of subdivision, deposited reference plan or original Township survey, the boundary shall follow such lot lines. No amendment to the By-law shall be required for minor adjustments to zone boundaries shown on Schedules A1, A2 and A3 where, in the opinion of the Township, such adjustments are merely for the purpose of more accurately reflecting surveyed information.
3. Where a zone boundary is indicated as following a shoreline of a watercourse, the boundary shall follow such shoreline and in the event that the shoreline changes, the boundary shall be taken as having moved with the shoreline.
4. Where a zone boundary as indicated follows the 1:100 year flood line, the boundary shall be the 1:100 year flood line.
5. Where any street, lane, right-of-way, railway right-of-way or watercourse as shown on the schedules is hereby closed or diverted, the object of such closure or diversion shall be included within the zone of the abutting property on either side thereof.
6. Where any zone boundary is left uncertain after the application of clauses (1) through (5) above, the boundary shall be determined by scale from the original full size zoning schedules.
7. Wherever it occurs, the municipal boundary is the limit of the zone.

4.4 Holding Zones

Where a zone symbol is followed by a hyphen and the letter “h”, this denotes a holding zone. Within such zones, only existing uses shall be permitted unless specifically stated

otherwise in the by-law, until the “h” has been removed. The removal of the holding provision shall require an amendment to the By-law. Such amendment shall only be passed by Council when any applicable servicing, phasing or financial conditions or agreements for the lands have been satisfied in accordance with the requirements of the Official Plan.

4.5 Special Zones

Where a zone symbol is followed by a hyphen and a letter or a number other than “-h”, (for example, “-x” or “-1”), the lands so zoned shall be subject to all the provisions of the zone represented by such symbol except as otherwise provided by the special provisions of that zone.

4.6 Temporary Zones

Where a temporary zone is established for the purpose of accommodating a temporary use pursuant to the provisions of the *Planning Act*, the lands so zoned shall be subject to all the provisions of the zone, except that a temporary use shall be permitted for a certain limited period of time. The zone symbol shall be followed by a hyphen, the letter “T” and a letter or a number other than “-h”, (for example, “-Tx” or “-T1”).

Temporary zones in force and effect are as follows:

1. **R1-T1** (*Part of Lot 34, Con. 1, Elizabethtown – 0801-000-060-38000*)

Notwithstanding the provisions of Section 5.1.1 of this By-law to the contrary, on the lands zoned R1-T1, a garden suite shall be an additional permitted use for a period of ten (10) years from March 14, 2011, subject to an agreement being entered into between the owner and the Township to address installation, maintenance, occupancy, removal and any necessary financial security.

2. **RE-T2** (*Part of Lots 30 and 31, Con. 1, Elizabethtown – 0801-000-060-27801*)
