**Rail Services**

VIA Rail

141 Perth Street

Brockville, ON K6V 5E4

(888) 842-7245

Rail service for the City Brockville is provided by VIA Rail. Via Rail offers daily service to Ottawa, Toronto, Montreal and the Windsor-Quebec City corridor.

**Freight**

The Canadian National Railway operates the freight and passenger service along the double-tracked mainline along the Quebec City Windsor corridor. The port spur line connects to this mainline and through interchange agreements provides service to Canadian Pacific customers as well.

CN and CP freight lines are located Brockville. Service is reliable to business and industry located in the community. Brockville is serviced daily by five freight trains.

For loads that are less than full, CN Route operates a parcel delivery service that connects Brockville to other major centres.

## AIRPORTS

### Ottawa International Airport

Ottawa is a 1.5 hour drive away on the 401 and 416 highways which puts the Ottawa International airport within an easy commute for most business. For more information about the Ottawa International Airport visit their website at [www.ottawa-airport.ca](http://www.ottawa-airport.ca) .

### Syracuse (New York) Hancock International Airport

Located two hours south of the Canada - United States border, is Syracuse International Airport. To learn more about the airport, visit their website at: [www.syrairport.org](http://www.syrairport.org).

### Private Airports

Location: Eastern Ontario

Type: Civil

Name: Brockville 1000 Islands Regional Tackaberry Airport

Municipality: Township of Elizabethtown-Kitley

4620 Airport Road, R.R.#4, Brockville, ON CANADA K6V 5T4

### Hours of Operation:

The Brockville - 1000 Islands Regional Tackaberry Airport Terminal is staffed seven days a week from 7:30 AM to 4:30 PM. The airport is open 24 hours a day for arriving and departing aircraft.

### Airport Manager:

T: (613) 345-0642

Toll free: 1-866-340-2076

F: (613) 342-4588

Program your GPS or Loran C for:

N 44o 38' 20" latitude

W 75o 45' 02" longitude

Runway diagrams at [www.brockvilleairport.com/aboutus.cfm](http://www.brockvilleairport.com/aboutus.cfm)

[www.cbsa-asfc.gc.ca/contact/listing/offices/office190-e.html](http://www.cbsa-asfc.gc.ca/contact/listing/offices/office190-e.html)

This airport keeps a good supply of 100 low lead, Jet A-1 (Premium auto fuel) on hand. A fuel attendant is available from 7:30 AM - 4:30 PM daily. After 4:30 PM, a callout fee of \$30 is applicable. Please provide advance notice if you require after hours fueling. The Brockville - 1000 Islands Regional Tackaberry Airport is unique in its ability to offer regular clients access to fuel through a Keytrol Fuel System. Each "subscriber" has his own individual key and meter allowing access to fuel at any time. At the end of the month, an invoice is mailed to the client.

### Automatic Weather Observation Station:

Pilot flight planning to the Brockville - 1000 Islands Regional Tackaberry Airport may wish to access the Ogdensburg, NY AWOS for that airport's current weather conditions:

Tel: (315)393-8982. The Ogdensburg AWOS transmits 24 hours a day. The Ogdensburg AWOS can also be heard on 118.525 MHz. When approaching CNL3, the AWOS can normally be received about 10 miles back at an altitude of 2500ft ASL.

Although located only 12 miles East of CNL3, caution must always be exercised as local weather conditions at CNL3 may differ significantly from that of Ogdensburg.

Arriving from the U.S.: [www.brockvilleairport.com/us.cfm](http://www.brockvilleairport.com/us.cfm)

If you have questions about: Accessing Keytrol , Airport Operations, Flying in Canada, e-mail Dean Glover at Brock Air Services - [dean@brockair.com](mailto:dean@brockair.com)

### **BORDER INFORMATION SERVICE**
