**Project Name:** 

Website Redesign

Department:

Administration

Type of Project:

Information Technology

**Basis for Activity:** 

Service Level Change

**Description:** 

To engage the services of a 3<sup>rd</sup> party developer to assist with an overhaul of the Township website to make it more user friendly and edit friendly

Strategic Plan Relationship(s):

**Priority # 1 Governance and Organizational Management** 

Rationale:

The website requires updating to a user-friendly platform to allow staff to continue to improve content. This will allow staff to better incorporate a full customer service experience and create a more streamlined, accessible and user-centered website to deliver best-in-class digital services.

**Staff Contact: Jorden Keeley**
