Project Name:	Kitley Line 3	Strategic Plan Relationship(s):			
Department:	Public Works	Priority #2 – Financial Plan (efficiently updating infrastructure assets and			
Type of Project:	Road Construction	initiating a preventative maintenance program)			
Basis for Activity:	Asset Renewal	Rationale:			
Description:		This project was deferred from 2023 due to drainage issues. The nuisance beavers have been addressed over the winter months; therefore it is			
Reconstruction of a section of Kitley Line 3 - 1.1 kms from Hughes Road.		anticipated that the drainage will improve this spring. Due to the low level of the road and proximity to the swamp, it is recommended that further			

Work includes full depth reconstruction (pulverization of existing asphalt, fabric overlay, 6 inches B gravel, 4 inches A gravel and finished with asphalt surface.

reconstruction work be undertaken to ensure stability of the road base. \$200K from 2023 capital was transferred to reserves to accommodate this project and Tackaberry Construction has committed secured pricing.
