Project Name: Graham Lake Road		Strategic Plan Relationship(s):				
Department:	Public Works	Priority #2 – Financial Plan (efficiently updating infrastructure assets and				
Type of Project:	Road Construction	initiating a preventative maintenance program)				
Basis for Activity:	Asset Renewal	Rationale:				
Description:		This road is in extremely bad condition and is a heavily travelled thru road. Currently slated for full reconstruction in the Road Needs Study for 2030 (at				
Reconstruction of 2	.6 km between CR 46 and the FOY border.	an estimated cost of \$961K), however due to its high traffic and current state, staff are recommending it for consideration in 2024.				

Work includes pulverization of existing roadway, fabric overlay, 4 inches A gravel, 8 inches B gravel and double surface treatment with fog sealer.

Staff Contact: Steve Cassidy
