Project Name:	Rescue # 1 - Upgrades	Strategic Plan Relationship(s):				
Department:	Fire	Priority #2 – Financial Plan (efficiently updating assets)				
Type of Project: Basis for Activity:	Vehicle Upgrade to asset	Priority #3 – Process Improvements (the existing gas-powered rescue tools are 30 years old and at the end of their useful life)				
Description:		Rationale:				
Upgrades to Rescue to rescue to	accommodate secure storage of battery-operated	The necessity to complete these upgrades is based on procurement of the smaller rescue unit (as noted above), and to accommodate onboarding of new battery operated rescue tools, which are smaller in size than the current gas-powered tools. To ensure the equipment is well maintained during its useful life, it must be properly stored and secured in the rescue unit.
