Project Name:	Water tank replacement	Strategic Plan Relationship(s): Priority #2 – Financial Plan (efficiently updating assets) Rationale:				
Department:	Public Works					
Type of Project:	Equipment					
Basis for Activity:	Asset renewal	This tank is required because existing leadership transitioned away from				
Description:		ELP trucks so the tank no longer fits on any equipment. There is a minimum of two water trucks required for the summer season otherwise we				
To purchase a new wat	er tank to fit current fleet	will need to rent a water truck all summer, at a substantial cost.
